RE: *U.S. v. Kenyatta Taiste*, 18 Cr. 684

Dear Judge Marrero:

This office represents Kenyatta Taiste in the above-captioned matter. We write to request an adjournment of Ms. Taiste's sentencing, which is currently scheduled for September 10, 2021. The government does not object to this request.

After speaking with the Court's clerk earlier today, it is our understanding that the Court will not proceed with in-person proceedings until November. Ms. Taiste, who is a black, trans woman, is facing a substantial sentence that would result in her incarceration at a male federal prison. Therefore, Ms. Taiste strongly prefers that she be sentenced in-person.

Moreover, Ms. Taiste suffers from an immune disease that makes her highly susceptible to COVID-19 infection, especially the much more contagious Delta variant that has begun ravaging the nation. Ms. Taiste has been on supervised release since March 2019 without incident. She has maintained employment, participated in therapy, sustained her sobriety, and has been volunteering within the LGBTQ+ community. Currently, she is, with the Court and Pretrial's permission, volunteering upstate at the Easton Mountain Retreat, supporting LGBTQ+ rights.

ZMO LAW PLLC

For all the foregoing, I respectfully request that Ms. Taiste's sentencing be adjourned to November, or whenever the Court is available for an in-person sentencing.

Thank you for your attention to this case.

Very truly yours,

*Victoria Nicole Medley*
